# UNIVERSOL® ECO

## BESKRIVELSE

The 100% ecological cleaner and degreaser for paintwork, stainless-steel surfaces, extremely grimy floors, industrial kitchens, etc.

## ANBEFALET BRUG

Universol® Eco is extremely suitable:

- For cleaning and degreasing all surfaces that will be painted. It is not necessary to rinse off afterwards, so you can immediately start painting.
- A highly-concentrated industrial all-purpose cleaner for cleaning light to heavily fouled surfaces.
- A stainless-steel cleaner.

## BRUGSANVISNING

Dilute Universol® Eco with water.

Recommended mixture ratio:

1: 25 for heavily fouled paintwork, ovens, engines, and stainless steel

1: 50 for fouled industrial kitchens, machines, and floors

1: 100 for lightly fouled paintwork and windows

Apply the diluted Universol® Eco concentrate with a sponge, cloth, or brush.

Allow to soak in for several minutes, then wipe with a sponge, cloth, or brush to activate and increase the action.

For stubborn dirt, allow it to soak in longer, possibly with a higher concentration. Remove with a moist cloth or sponge.

## ANVENDELSESBETINGELSER

Can be used in all circumstances, but do not apply in direct sunlight in frosty conditions.

## RENGØRING AF UDS TYR/SPILD

Rinse with clean water after use.

## PH

11,20

## HOLDBARHED

Can be kept for a minimum of 12 months when stored in a dry, cool, and frost-free environment in the original unopened packaging.
