

GREASE CLEANER FOAM

Quickly dissolves grease and dirt

- Quick and effective action
- Powerful degreaser
- Foaming
- Also suitable for soot and fire damage

GREASE CLEANER FOAM

BESKRIVELSE

For quickly and thoroughly dissolving grease and dirt on walls, floors, and machines. The foaming layer makes Grease Cleaner Foam ideal for use on vertical surfaces.

ANBEFALET BRUG

Grease Cleaner Foam Ready-to-use is very suitable for degreasing all types of surfaces, both hard and smooth and lightly porous. The excellent cleaning properties of this product mean you do not have to wash the surface afterwards.

PRAKTISK FORBRUG

Dependent on the surface and the fouling

BRUGSANVISNING

Dilute Grease Cleaner Foam Concentrate as needed and to achieve the desired result. To refill the spray bottle, fill the spray bottle with 450 ml of water and 200 ml Greaser Foam Concentrate. Spray the product on the surface and distribute it over the surface to be cleaned and allow some time for it to soak in. Wipe dry with a microfibre cloth or tissue paper. If necessary, repeat the treatment. For high-pressure cleaners with a dosing system, use undiluted Grease Cleaner Foam Concentrate and adjust the pressure and dosage until the desired reached is achieved. Wipe the applied foam with a (car washing) brush and rinse off with clean water. For heavy fouling, repeat the treatment.

ANVENDELSBETINGELSER

Can be used in all circumstances, but do not apply in direct sunlight or in frosty conditions.

RENGØRING AF Udstyr/SPILD

Rinse with water immediately after use.

PH

11

HOLDBARHED

Can be kept for a minimum of 12 months when stored in a dry, cool, and frost-free environment in the original unopened packaging.
